**Shoot fast.**

***Unwrap slow.***

Photobooks may get damaged while unboxing. Remove packaging with care.

**Yes to sharp focus.**

***No to  
sharp objects.***

Keys, pen-knives or scissors  
will damage your photobook.  
Keep them away.

**Nail your lighting.**

# ***Not your photobook.***

Fingernails can damage the finish,  
handle with care!

**Keep close to your heart.**

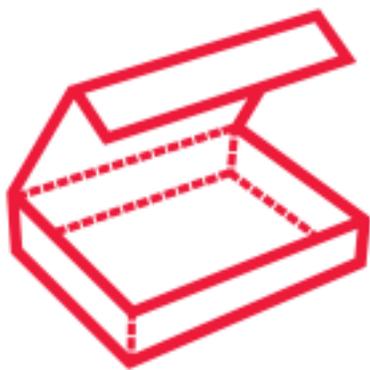

***Keep away  
from liquids.***

Keep photobooks away from liquids,  
and avoid humidity.

# ***Location is everything***

Do not place on rough surfaces.

**Think outside the box.**

***Store inside  
the box.***

The safest place for your photobook  
is the box it came in.
