Find the One

Canvera™

Introducing stunning new designs, textures, materials, printing & trim options that you can mix and match to create the perfect photobook for your stories.

Canvera™

Royalty

It's finesse, grandeur and glamour, all rolled into one. Presenting the Royalty Series that's truly one of a kind. Encased in a beautiful memory box, your precious moments are well-protected from daily wear and tear. It also gives your album the royal treatment with three beautiful metal plate designs that are tailor-made to Indian wedding themes.

Go ahead, choose between a regular or metallic finish and seal the deal with a picture-perfect acrylic image of you and your loved one.

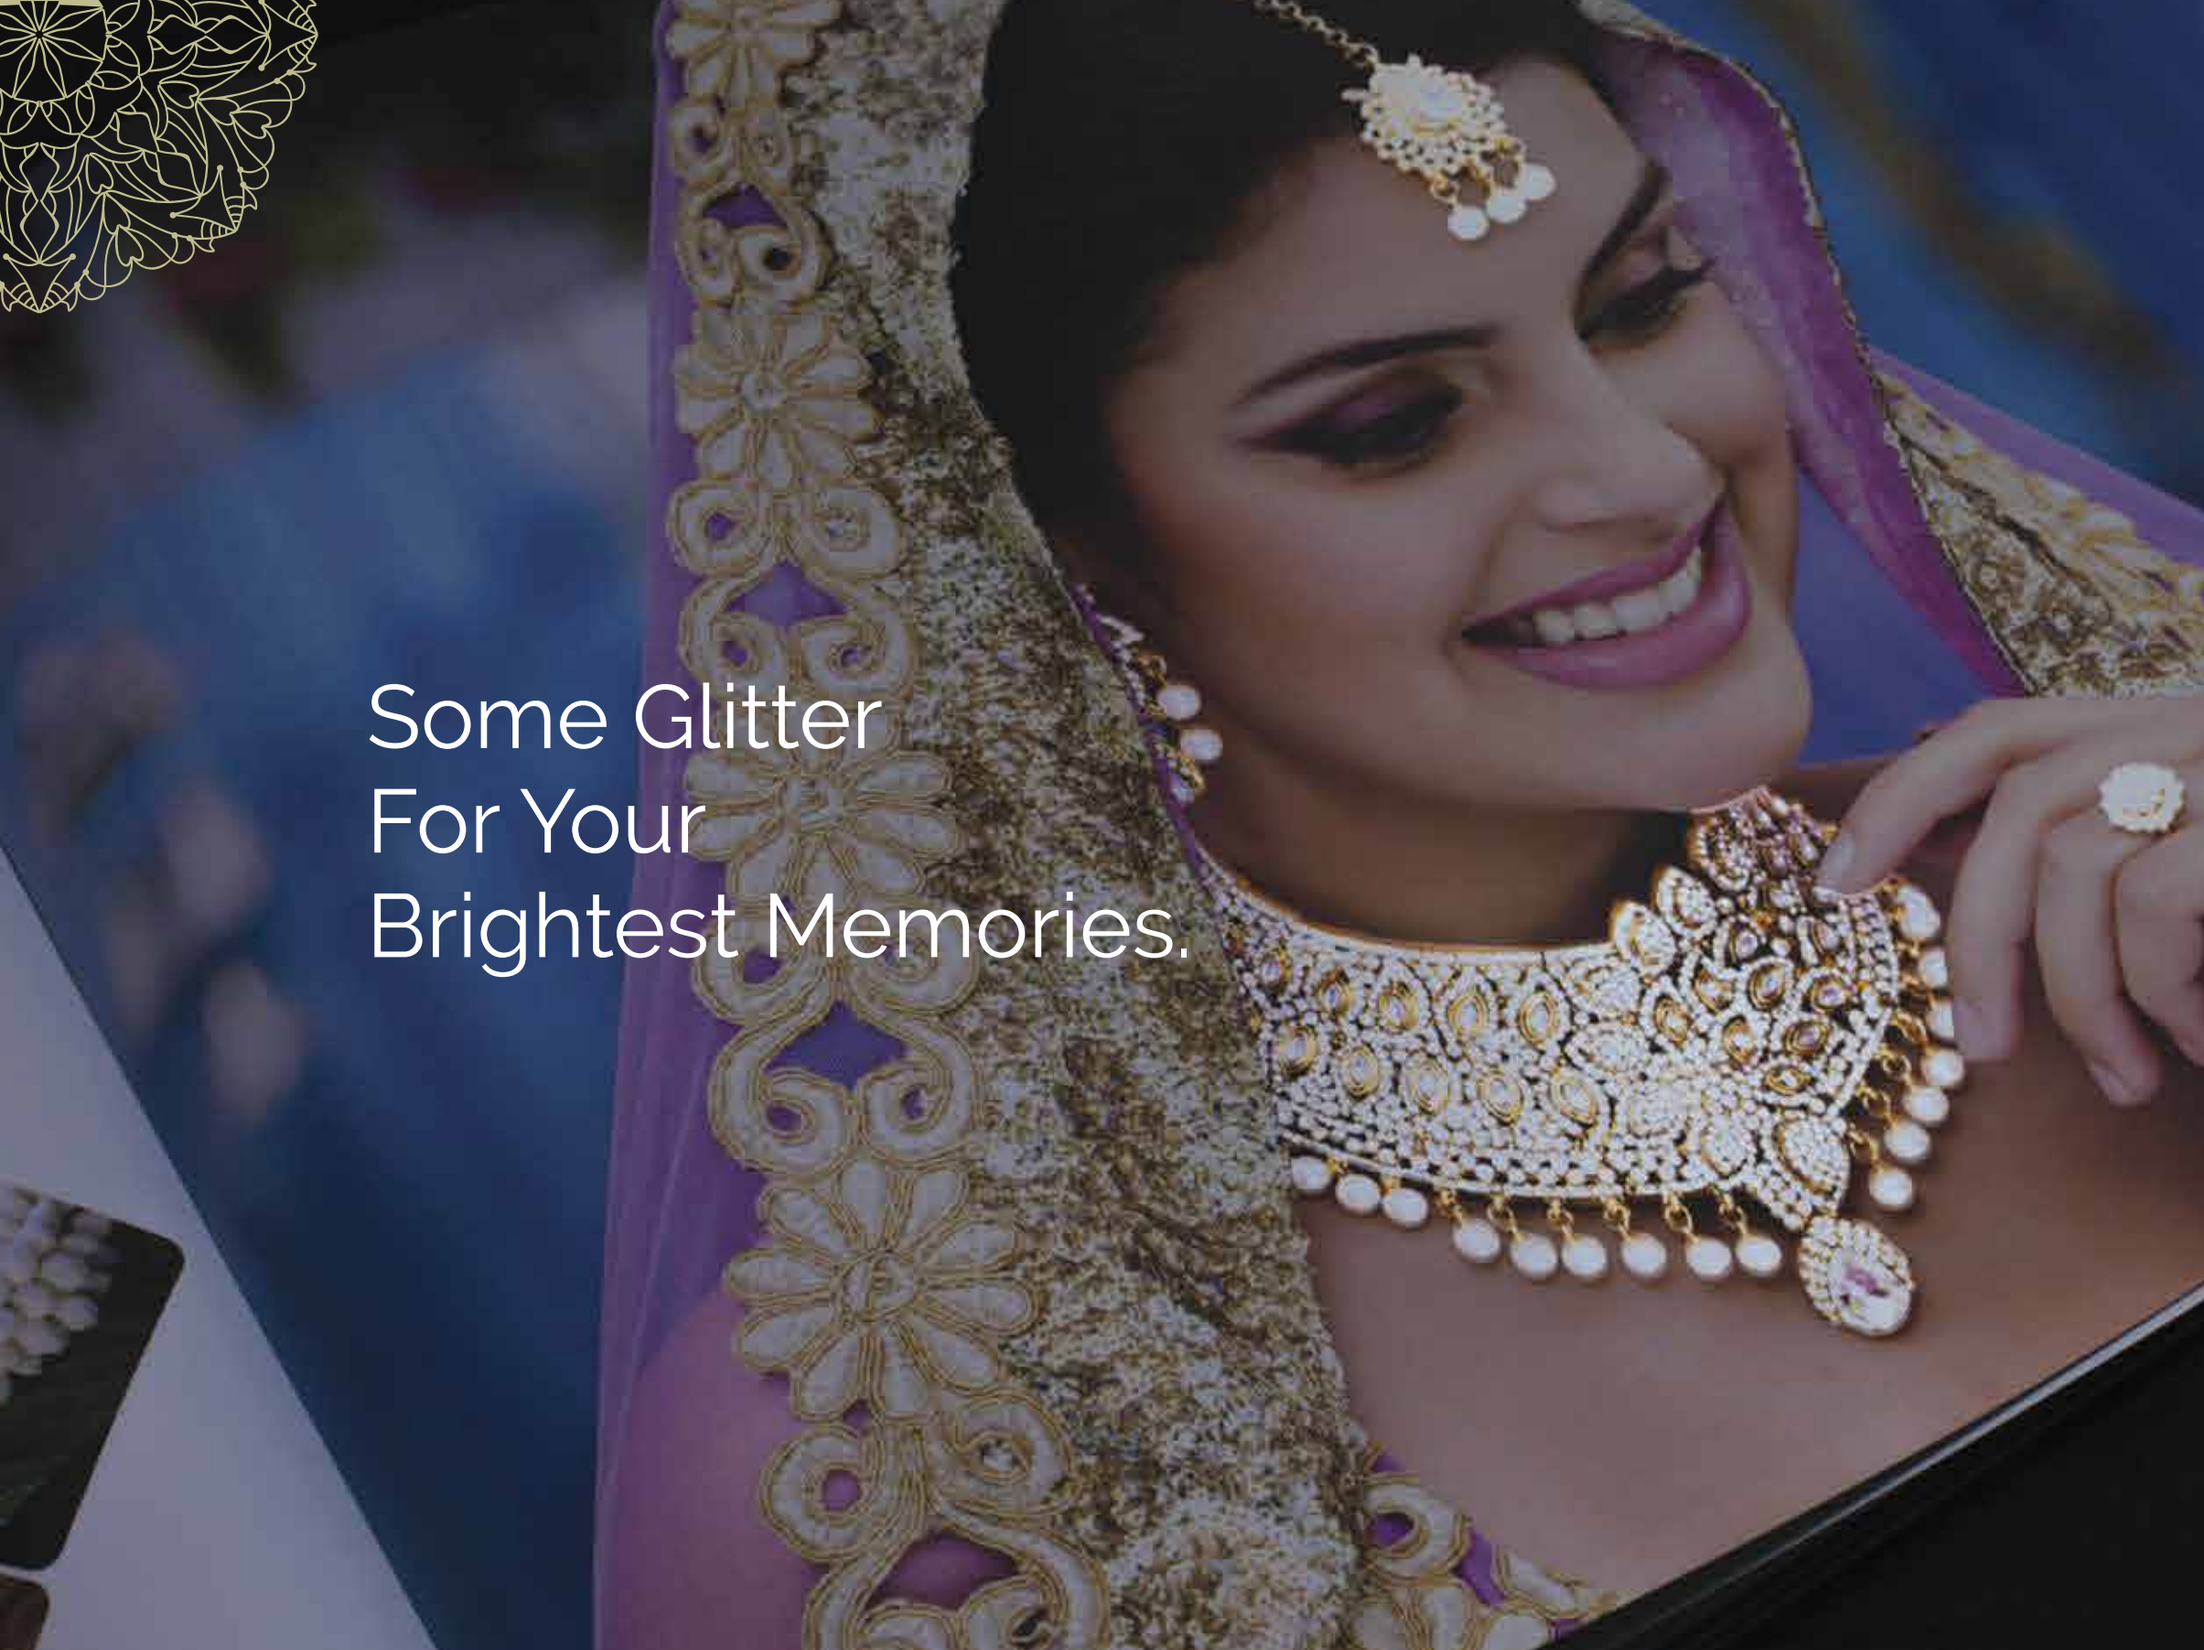
Infiniti

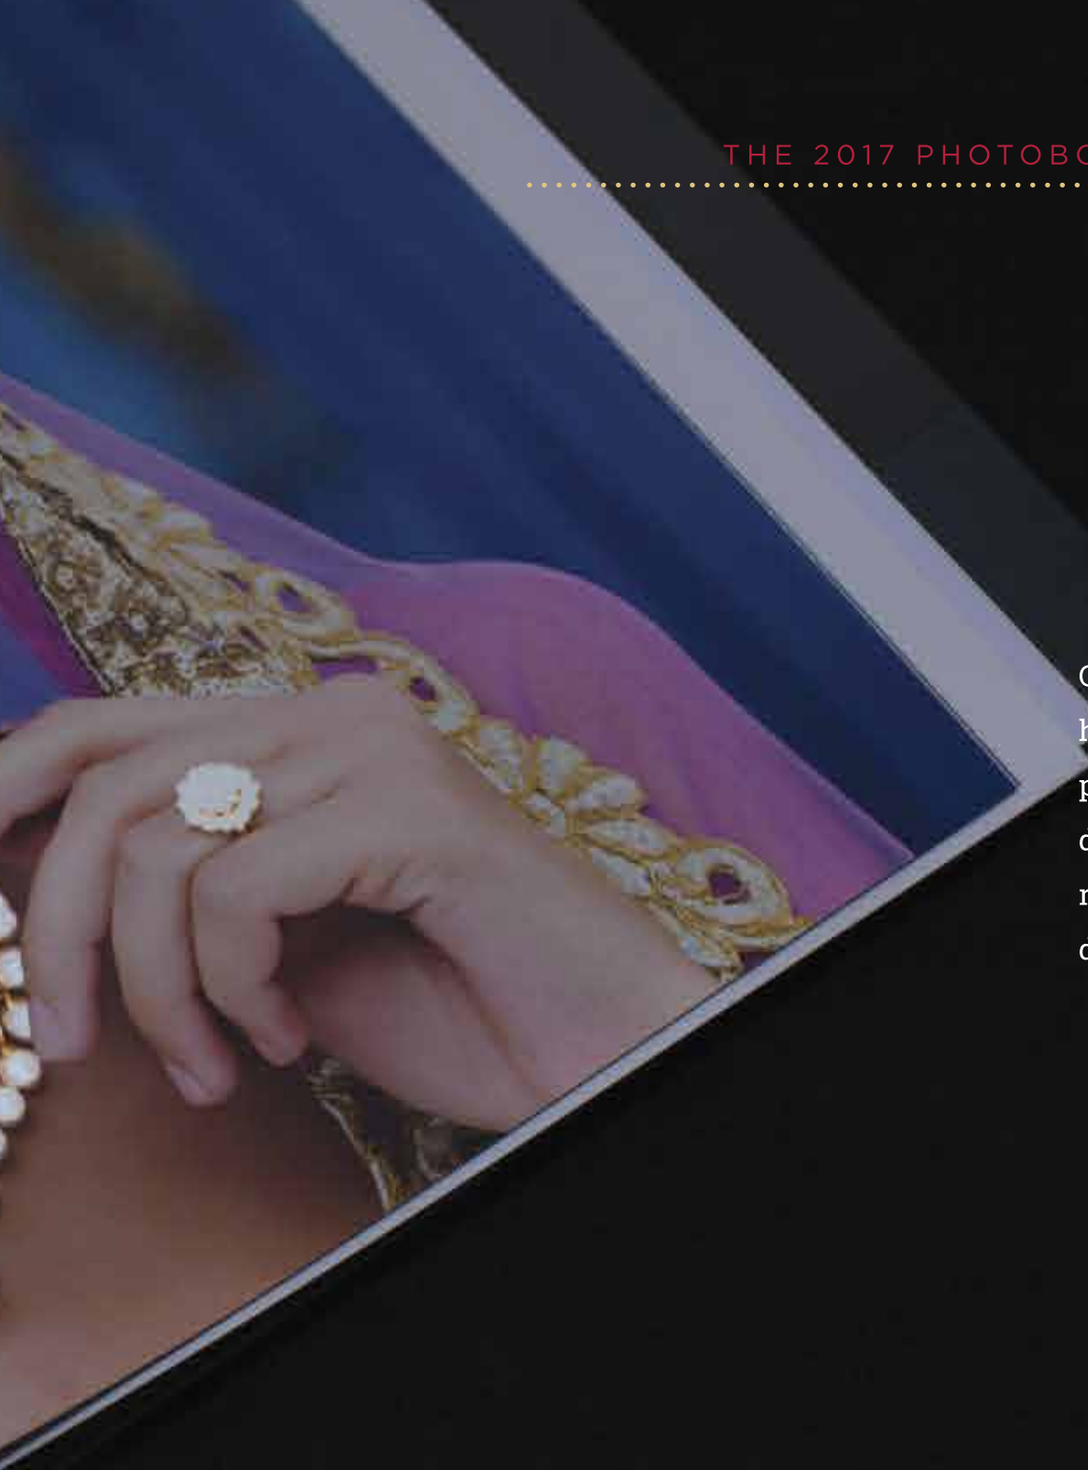
The Infiniti range of photobooks is designed to withstand the test of time. They come with your choice of single or multiple images on the cover, embedded in a variety of high precision laser cut windows, vividly printed on acrylic for a stunning effect. Infiniti photobooks offer a whole world of choice when it comes to design, colour, texture, binding and trim.

Photo stories as beautiful as yours deserve titles to match.

Which is why, we offer over 26 stunning nameplate designs in silver, gold, bronze and wood finishes with a variety of placement options to go with your photobook.



Some Glitter
For Your
Brightest Memories.



Our unique hot foil printing feature allows you to highlight specific areas of your images with spot printed gold and silver textures that catch light dramatically. Use them to bring alive an engagement ring, a mirrored dress or a family heirloom handed down through generations.

A smart and easy way to order photobooks.

Presenting, the Canvera partner app.

- Place and pay for your order
- View complete order history
- Track your classifieds leads & assignments

Download the Partner App

If recording and preserving memories is your business, then the Canvera app is just for you.

- Get higher visibility that allows clients to contact you through the app
